

ANNISH LITISHA JEBASTIN

jannishlitisha2005@gmail.com | +91 9976625704 | Sankari, Salem, Tamil Nadu

SUMMARY

Detail-oriented Information Technology undergraduate with hands-on experience in full-stack web and mobile application development. Strong foundation in JavaScript, web architecture, RESTful APIs, and database-driven applications. Experienced in building scalable, secure systems with clean, maintainable code. Actively working with Git and GitHub and motivated to contribute to open-source projects in remote-first engineering environments.

PROJECTS

Infrastructure Automation Pipeline – Terraform, Jenkins, AWS EKS, GitHub, Trivy

- Automated infrastructure provisioning using a Jenkins pipeline with Terraform.
- Version-controlled Terraform configurations using GitHub.
- Provisioned and managed Amazon EKS resources with create and destroy workflows.
- Integrated Trivy for security scanning of infrastructure configurations.

iQube Smart UI Platform with AI Chatbot – React Native, SQL, Node.js, Express.js

- Built a student-faculty mobile platform with AI chatbot integration for academic assistance.
- Developed secure login, document management, and real-time chat modules.

Income Expense Application – Flutter, Firebase

- Led development of a cross-platform expense management app with real-time updates.
- Designed intuitive UI and ensured seamless backend integration.

Asset Audit Application – React Native, SQL, Node.js, Express.js

- Digitized asset audit and management processes with role-based access (Admin, Auditor, Venue In-Charge, Staff).
- Integrated a secure RESTful backend with MySQL and React Native frontend.
- Improved organizational efficiency by reducing asset misplacement and centralizing task tracking.

EDUCATION

Bannari Amman Institute of Technology, Erode, Tamil Nadu

2023-2027

Bachelor of Technology in Information Technology

- Final CGPA upto now: 8.42

Vidyaa Vikas International School, CBSE, Namakkal

- Higher Secondary Certificate (HSC) – Computer Science with Mathematics and Physics, 91.6%
- Secondary School Leaving Certificate (SSLC) – 94.6%

2021-2023

2019-2021

KEY SKILLS

- **Programming Languages:** C, Java, Python, JavaScript
- **Frontend:** HTML5, CSS3, React, React Native, Flutter
- **Backend & APIs:** Node.js, Express.js, RESTful APIs, JSON, Authentication
- **Databases:** MongoDB, SQL, Firebase
- **Cloud & DevOps:** Docker, Kubernetes, Amazon Web Services (AWS), Jenkins, Maven
- **Tools :** Git, GitHub, VS Code, Postman
